

13th Provincial Chapter

Fr. Francisco Palau—Philippine Province
Philippines, Taiwan, Thailand, Indonesia, Australia

Informative - Illuminative Stage

Reporting about our different ministries and offices

A pleasant day to all of you sisters! This is now the 3rd issuance of our 13th Provincial Chapter updates. In spite of the hectic schedules, the sisters managed to insert the Spirit of the celebration of the Feast of the Epiphany of our Lord by having a gathering of all sisters participating the Chapter at recreation time. After the elections, the delegates enthusiastically continued through taking into consideration the talk given by Fr. Arthur Dengel, OP who gave them enlightenment in the formulation of the Vision – Mission Statement. The delegates were then responsive on whatever role or task given to each one to make every details of the day a momentous one. Then the councillors had their turn in giving reports of our different ministries and offices which lasted for one and a half days.

Study Stage

Formulating and Critiquing of Proposals

The STUDY STAGE began with the orientation given by Sr. Marigold Magbanua to working groups. Four topics were distributed to each group to work on: Formation and Training, Charismatic Identity, Shared Mission and the Youth. These two days were spent in group study and discussion, formulation of proposals, presentation and critiquing. It was a hard work for the Delegates but the Spirit of Self-giving and joy are very visible. Thank you Sisters for your continuous support and prayers.
